### ABOUT

As a successful Intuitive Consultant, with over ten years experience Rowena specialises in Counselling, Guiding and Coaching her clients to live their true heart's desire.

Her life experience and extensive study into the mind, body, spirit connection allows her to fully integrate her knowledge base to assist and educate the public.

Working and observing people and women in particular, Rowena noticed a connection between their personal development journey and their desire to create and express themselves through business and entrepreneurial endeavours. This motivated her to create a range of business tools to assist in this process.

Rowena holds a Bachelor of Applied Science (Nursing), Post Graduate Diploma in Midwifery and a Bachelor of Psychology.
